Subject: Science Week celebration

Dear Parents & Students of Class I,

We are thrilled to announce that our school will celebrate Science Week from September 11 to 15, 2023. This engaging week aims to increase scientific skills, feed students' curiosity, and introduce them to a ray of scientific phenomena through fun-filled activities.

The details regarding activities planned for the week are given in the table below:

| Sr. No. | DATE | ACTIVITY | TEACHER IN-CHARGE | TOPIC | PERIOD | VENUE |
|---------|-------------------------|------------------------------------|-------------------|--|-------------------------|-----------|
| 1 | 11.09.2023 Monday | Seed Germination | Class Teacher | Indoor Activity. Students will perform in the class and take it back to home. | First and second period | Classroom |
