Subject: Science Week celebration

Dear Parents & Students of Class II,

We are thrilled to announce that our school will celebrate Science Week from September 11 to 15, 2023. This engaging week aims to increase scientific skills, feed students' curiosity, and introduce them to a ray of scientific phenomena through fun-filled activities.

The details regarding activities planned for the week are given in the table below:

Sr. No.	DATE	ACTIVITY	TEACHER IN-CHARGE	TOPIC/REMARKS	PERIOD	VENUE
1.	11.09.2023 Monday	Fun Magic Science Activity	Class Teacher	Teachers will show videos related to Science and make them play memory games puzzle: Who am I? ETC.	First period	Classroom
2.	12.09.2023 Tuesday	Slogan / Chart Making	Class Teacher	Students will prepare a slogan/chart on a science-related topic. (The best three will be selected section-wise.)	First and Second period	Classroom
3.	13.09.2023 Wednesday	Science Attire and speak lines about it.	Class Teacher	Students will dress up in any Science related Attire for, e.g.:- Scientist, robot etc. and speak few lines about it. (The best three will be selected section-wise.)	First and Second period	Classroom
4.	14.09.2023 Thursday	Food without fire	Class Teacher	Students will bring chopped or sliced vegetables or fruits and assemble them in the class. They will prepare food without fire. E.g.:- Sandwich, biscuit pizza etc.	First and Second period	Classroom
5.	15.09.2023 Friday	Best out of waste	Class Teacher	To make or create innovative and attractive things from the material we no longer use. (The best three will be selected section-wise.)	First and Second period	Classroom

INSTRUCTIONS FOR STUDENTS:

1. Fun Magic Science Activity: The teacher will show videos and make them play games in the class.
2. Slogan/Chart Making:- Students will bring A4 size/ Chart Paper, Colour and related materials.
3. Science Attire:- Students will dress up in Science Attire and prepare a few lines about it.
4. Food without Students must bring a dish to assemble food items, chopped vegetables, fruits and required materials to enjoy this fantastic activity.
5. Best out of waste:- Recycle or Reuse waste (Only related to Science. Avoid craft work)

Science Week will be an excellent opportunity for Science to take Centre stage, get the children involved, and embrace how exciting Science can be. We're all looking forward to an exciting Science week!
