Subject: Science Week celebration

Dear Parents & Students of Class VIII,

We are thrilled to announce that our school will celebrate Science Week from September 11 to 15, 2023. This engaging week aims to increase scientific skills, feed students' curiosity, and introduce them to a ray of scientific phenomena through fun-filled activities.

The details regarding activities planned for the week are given in the table below:

S.NO.	DATE	ACTIVITY	TEACHER IN-CHARGE	TOPIC/REMARKS	PERIOD	VENUE
1.	11.09.2023 Monday	Classroom decoration with innovative scientific ideas	Class Teacher	Students will begin the science week by decorating their class based on a specific scientific theme.	Zero period (7:30 am - 8:30 am)	Classroom
2.	12.09.2023 Tuesday	Fun with Maths	Class Teacher	Logic-based questions or puzzles will be provided	Zero period (7:30 am - 8:00 am)	Classroom
3.	13.09.2023 Wednesday	Scientific riddle	Science teacher	Riddles based on Science and computer	Science period	Classroom
4.	15.09.2023 Friday	Dummy Model	Science teacher	A model for a specific topic will be presented with an explanation (Group of 5)	Science Period	Classroom

INSTRUCTIONS:

- 1) Classroom decoration: Decoration materials must be prepared from home as informed by the class teacher.
- 2) Fun with Maths- Students will receive a worksheet based on problem-solving in the class. The best three solutions will be selected from each section.
- 3) Scientific Riddle - Students will be provided with a worksheet based on a scientific riddle based on Science and Computers. The best three solutions will be selected from each section.
- 4) Dummy model: Students are expected to give a topic to the class teacher. Each group must have a different topic. Students must prepare the dummy model from home as per the topic. The teacher will select the best group from each section.

Science Week will be an excellent opportunity for Science to take Centre stage, get the children involved, and really embrace how exciting Science can be. We're all looking forward to an exciting Science week!
