Subject: Science Week celebration

Dear Parents & Students of Class XI Science,

We are thrilled to announce that our school will celebrate Science Week from September 11 to 15, 2023. This engaging week aims to increase scientific skills, feed students' curiosity, and introduce them to a ray of scientific phenomena through fun-filled activities.

The details regarding activities planned for the week are given in the table below:

DATE	ACTIVITY	TEACHER IN-CHARGE	TOPIC/REMARKS	PERIOD	VENUE
11.09.2023 Monday	Doodle Art	Roshni Mehta	Inventions based on any Scientist	Zero period (7:30 a.m. – 8:30 a.m.)	Classroom
12.09.2023 Tuesday	Mind Buzzer	Science Teacher	Instant problem-solving activities (Group of 3)	Zero period & First period	Classroom
13.09.2023 Wednesday	Working Model	Honey Shah / Payal Patel	A working model for a specific topic will be presented with explanation (Group of 5-6)	Science period	Classroom
15.09.2023 Friday	PPT	Sreekala Nair	1. Carbon nano fibre 2. Lifi technology (Group of 3)	Science period	Classroom

Instructions for students:

- For Doodle art- Students need to bring the required material to draw and colour the doodles.
- Mind buzzer- Students in a group of 3 are provided some instant problem solving questions which is to be completed in a class
- PPT- Students need to bring the prepared presentation on a given topic and will be provided 3 minutes time for explanation and two minutes for question answer round.
- Working model- In a group of 5-6, students need to present their working model on any suitable science based topic.

Science Week will be an excellent opportunity for Science to take Centre stage, get the children involved, and embrace how exciting Science can be. We're all looking forward to an exciting Science week!
