Subject: Reminder for payment of pending fees

Dear Parents & Guardians:

This is to bring to your notice that Fee Regulatory Committee, Surat Zone has issued the final order on January 13, 2022 (Order No. 944/2022) for the Academic Sessions 2021 – 22, 2022 – 23 & 2023 -24.

Parents whose fee is pending are requested to clear the fees urgently. Metas Adventist School is a private unaided institution, and we entirely depend on the fees to meet out the salaries of teaching, non-teaching staff and other expenses. The school purely survives on the fees paid, and hence parents should extend their co-operation by adhering to the fee schedules communicated.

We communicate our special regard and deep gratitude to all those parents who have been depositing the school fees as per the schedules, acknowledging our teaching faculty's diligent work and the school providing quality education for our students.

The Final Exams are scheduled to commence from the first week of March. Portions are already uploaded on the School website and the Mobile App. The other details regarding the examinations will be shared through the upcoming circulars.

Parents are expected to clear the fees as of the Academic Session 2021 – 22 before the commencement of Exams. Timely fee payment is vital for the school to meet the essential commitments and expenses. Prompt payment of fees also ensures that the amount doesn't accumulate and later becomes a burden.

The final order issued by the Fee Regulatory Committee is uploaded on the school website [www.suratschool.metasofsdain.in](http://www.suratschool.metasofsdain.in) and also placed on the School Notice Board. Kindly use the link given below access the copy of the Final Order.
