INDEPENDENCE DAY

Theme: "MERI MATI MERA DESH"

Date: August 14

Classes: VI – X

" NATION FIRST, ALWAYS FIRST"

Independence Day is a pivotal reminder of the importance of our nation's sovereignty and the sacrifices made by our freedom fighters and ancestors in securing our freedom. It serves as a time for us to reflect on the significance of being an independent nation and the responsibilities that come with it. This day calls upon us to remember the struggles, the unity, and the values that underpin our diverse and vibrant nation. It's a moment to celebrate our history and our shared commitment to shaping a better future for our country.

Metas Adventist School, on the 14th of August 2023, celebrated Independence Day for classes VI to X with great enthusiasm and patriotic fervor. The celebrations were marked by a series of engaging events carefully tailored to the specific grades of the students. Each activity was scheduled for 40 minutes, providing a platform for the students to showcase their innate talents and boundless creativity. The Students participated in a range of activities with much fanfare and zeal.

POSTER MAKING COMPETITION:

It is often said that paintings and posters are the best sources that can convey feelings and messages through visuals, reaching people directly and uncomplicatedly. Our Artists of Class VI, with their paints, colors, papers and other materials, portrayed and expressed their views on incredible India. Through diverse ideas and artistic skills, they created exceptional posters that vividly reflect the essence of freedom.

MOSAIC ART:

Class VII students utilized beads, thermocol balls, cloth, tissue paper, grains, and more to showcase their creativity on the theme of 'Incredible India.' This activity allowed students to express themselves and tap into their imaginative potential. Through creating mosaic art, children honed their fine motor skills, concentration, and focus while enjoying the process.

ONE MINUTE TALK:

Communication plays a vital role in achieving success. Class VIII students were asked to pick up a randomly shuffled chit that carried the names of our National Leaders. Students were then asked to speak for a minute addressing the leader whose name they drew. This activity imparted the lesson of 'speaking smarter', thereby boosting confidence and actively engaging the minds of the listeners.

CONTENT WRITING:

"Content writing is all about crafting information and ideas into compelling, informative, and engaging pieces of written material." Students from classes IX and X enthusiastically took part in this activity. The level of enthusiasm displayed by the students was truly heartening. The activity played a crucial role in honing their writing skills and fostering critical thinking.

All the activities provided students with an opportunity to showcase their creative talents, enhance their communication skills, and share knowledge. They collectively instilled a sense of unwavering commitment to the nation, always prioritizing it.
