

METAS ADVENTIST SCHOOL

Heartfelt Tribute to Doctors on National Doctors' Day

Date: 01-07-2024

Celebrating National Doctors' Day at Metas Adventist Hospital

Students delivering a heartfelt speech.

On July 01, 2024, Metas Adventist School joyfully celebrated **National Doctors' Day**, honoring the unwavering dedication and selfless service of our medical heroes. This special day is celebrated in honor of the legendary and renowned **Dr. Bidhan Chandra Roy**, appreciating his immense contributions as a freedom fighter and advocate for education. The event saw the enthusiastic participation of 28 students from Class XI, who visited **Metas Adventist Hospital** to express their gratitude to the doctors, whom they hailed as the true front-line soldiers of our community.

The celebration commenced with a heartfelt speech by the students, thanking the doctors for their relentless commitment and inspiration. The speech resonated deeply, highlighting the profound impact of doctors' dedication on our lives. *"Your tireless efforts and unwavering dedication inspire us daily,"* the students declared, their voices brimming with admiration and respect.

Following the speeches, the students presented the doctors with beautifully handcrafted cards and a single rose, symbolizing their appreciation and respect. The smiles and gratitude on the doctors' faces were a testament to the students' sincerity and the deep connection between the school and the hospital.

Students presenting handcrafted cards and roses.

The hospital foyer buzzed with energy and excitement as students interacted with the doctors, sharing their thoughts and experiences. The vibrant atmosphere underscored the event's success, as both students and doctors engaged in meaningful

conversations, reinforcing the bond between education and healthcare.

The School believes, *"This celebration is a wonderful opportunity for our students to acknowledge the incredible work of doctors. It fosters a sense of community and mutual respect, which are core values of our institution."*

The event concluded with a group photo, capturing the essence of the day – gratitude, inspiration, and unity. This memorable celebration not only honored our medical heroes but also instilled a sense of appreciation and respect in the hearts of our students.

"Doctors are the everyday heroes who tirelessly work to heal, comfort, and inspire hope in our lives."
