Post Box 24, Athwalines, Surat - 395001, Gujarat. Ph. : 2667591-95, 7160208

April 4, 2023

Dear Parents and Students of Classes IV to X & XII (Academic Session 2023 - 24).

We are pleased to inform you that the school is installing Smart Interactive Display Panels in all the classrooms. E-learning is always accorded top priority as this helps students schooling with us be better equipped to meet the challenges of modern-day living. Metas Adventist School is one of the pioneer educational institutes of Surat, known for being a hub for innovation in teaching learning and its safe, well-maintained infrastructure. Smart Interactive panels are being installed in classes so that teachers can supplement classroom teaching with audio-visual display systems, which help children learn much faster and better.

Given the said installations, which are a work in progress currently because of a minor delay in the receipt of the consignments, **the School Management has decided to postpone the reopening date for the mentioned group to \*Wednesday, April 12, 2023,**. The Classrooms will be ready by the said date. However, the reopening date of classes Jr.KG to III will remain as intimated.

Sincerely regret the inconvenience caused. Your cooperation and understanding will be highly appreciated as the infrastructural additions are purely made to benefit our students, our utmost priority.

**METAS ADVENTIST SCHOOL**
